

EXPLORE THE FIELD STATION!

DINOSAUR DANCE PARTY • Join the Dinosaur Troubadour for a hilarious toe-tapping, foot-stompin' musical happening. Limbo, watusi, and swing to "The Dimetrodon's Dance", a Permian dance craze that has everyone waving, weaving and laughing. **AMPHITHEATER**

DINOSORIGAMI • Join one of the Field Station's top researchers and learn the art of paleo paper folding. Best of all, our origami artists get to take their creations home! **FAMILY TENT**

GREAT MOMENTS OF DISCOVERY THEATER • You're the star of the show! Explore the amazing link between the birds of today and the dinosaurs of yesteryear. Meet some of the most revered scientists of all time and be witness to their greatest discoveries. **FOOTHILLS TENT**

FOSSIL DIG SITE • Giant dinosaur skeletons and real prehistoric fossils lurk just beneath the surface waiting to be unearthed. Learn about life on a dinosaur dig. Recommended for scientists ages three to nine. **Open all day**

MESOZOIC CONCENTRATION • A fast-paced matching game where everybody plays and everybody learns. What does it take to be a paleontologist? Kids uncover the secrets of a successful Bone Hunter with some unexpected results. **FAMILY TENT**

PALEONTOLOGISTS' LABORATORY • Junior Bone Hunters dig for fossils from the age of the dinosaurs at the Field Station's newest hands-on science activity. Take home your Mesozoic discoveries. The Paleontologists' Laboratory is included with the Commander's Pass or is available to purchase separately. **PALEONTOLOGISTS' LAB**

YOU'RE THE PALEONTOLOGIST! • See dinosaur skulls and learn all about the Hadrosaurus foekii, the world's first dinosaur superstar! Then join the team at Philadelphia's renowned Academy of Natural Sciences and be one of the judges at the world's first ever Dinosaur Skull Beauty Pageant! **PALEONTOLOGISTS' LAB**

PALEONTOLOGIST TRAINING • Paleontologists travel the world in search of dinosaur bones and there's no telling where their adventures will take them - from snow covered mountain tops to baking hot deserts. Join our expert team of trainers at the Challenge Dome and prepare for a science adventure of your own! Designed for our youngest scientists, every trainee gets a prize! (Must be under 48" tall to participate.) **CHALLENGE DOME**

PARASAUROLO-FISHING! • Grab a rod and head over to the fire pit for this fun game of skill. We've stocked our dino-pond with plenty of parasauropods and we hear the dinosaurs are biting! Keep what you catch and then tell everyone about the one that got away! **FIRE PIT**
