

EXPLORE THE FIELD STATION!

DINOSORIGAMI • Join one of the Field Station's top researchers and learn the art of paleo paper folding. Best of all, our origami artists get to take their creations home!

FOSSIL DIG SITE • Giant dinosaur skeletons and real prehistoric fossils lurk just beneath the surface waiting to be unearthed. Learn about life on a dinosaur dig. Recommended for scientists ages three to nine. **Open all day**

MESOZOIC CONCENTRATION • A fast-paced matching game where everybody plays and everybody learns. What does it take to be a paleontologist? Kids uncover the secrets of a successful Bone Hunter with some unexpected results.

PALEONTOLOGISTS' LABORATORY • The perfect souvenir from your visit to the Field Station - three actual fossils from the age of the Dinosaurs! Scientific staff will help junior bone hunters dig for fossils, including dinosaur coprolite, and help identify their finds. Take home your Mesozoic discovery in a souvenir pouch. **\$7.00 per person**

PALEO PLAYGROUND • Bounce and slide in our new Jurassic Zoo and get a bird's eye view of T-Rex from our observation post! The Field Station's new Paleo Playground is the perfect place for young scientists and their families to hang-out, explore and have a blast!

FIELD STATION CHALLENGE • Come on down, you're the next contestant on the Field Station Challenge! You never know what surprises our Wranglers have in store when they reach into the box of dinosaur-themed puzzles, quizzes and games of chance.

DINO BONE PUZZLE ZONE • Museum preparators are a special breed of puzzle loving paleontologists. They're the ones who painstakingly put dinosaur bones back together and mount them in museums. Grab a little shade and help the Field Station team put together dinosaurs!

MESOZOIC MIDWAY • Step right up and win yourself a Dinosaur! Test your skill at the Field Station's traditional midway games with a Dinosaur twist! We'll have different dinosaur themed games all season long, and everyone plays until the win a prize!

SCAVENGER HUNT • Scour the Field Station for dinosaur clues, riddles and cryptic messages stashed throughout the park. It's the perfect family adventure for puzzle-loving paleontologists.

T-REX FEEDING FRENZY • Explore the dangerous world of the famous cretaceous meat eater! Meet the Mighty T-Rex and help our fearless Dinosaur Wrangler use the Scientific Method to study the eating habits of everyone's favorite carnivore.

DINOSAUR DAYCARE • Our baby Dinosaurs are getting ready to hatch! Join our Dinosaur Daycare staff as we prepare for the Field Station's new arrivals and help us answer the musical question - "which came first, the dinosaur or the egg?"

PALEO PICASSO • That's a Dinosaur of a different color! You're the artist at this new twist on a Field Station favorite. Learn to draw a Dinosaur and discover what scientists know - and don't know - about what color the Dinosaurs might have been.
