Hi! It's the admin team here with the "fine print". We'd like to point out a couple of items so that we're all on the same page. First, the Field Station trails are open rain or shine. Second, these hours are all subject to change based on unexpected events & severe weather (which in March can be as unpredictable as a plot twist in a choose-your-own-adventure book). Thirdly, Spring Break tickets will only provide entry for individuals during March 9-17th, 2024 - a Day Pass is required for any other dates. And finally, Box Office & Jurassic Golf transactions will end 30 minutes before close of business each day.

As always, we're open rain or shine - even for Field Trips - unless the weather could put our guests or the staff in harm's way. Hours are subject to change. Day Pass or Membership is required for entry. As a reminder, Box Office & Jurassic Golf transactions will end 30 minutes before close of business each day. Be sure to follow the signs on weekdays, as we shift our entry location to accommodate a smaller staff during April & May. Concessions will be limited during April.</p>

28 12:00p to 5:00p	CLOSED		<p>Our team has made a change to the days we'll host evening hours for Jurassic Golf in April. Over the years, our team has had to close Jurassic Golf early a few too many times due to the development of storms and heavy rain in the late afternoons. We'd love to recreate the perfect round from Caddyshack, but it makes the most sense to decrease the number of times we might be forced to close. Hours are subject to change.</p> <p>Jurassic Golf transactions will end 30 minutes before close of business each day.
